EVOLVED IP NETWORK SOLUTION

What's in Evolved IP Network Solution Learning Service

Supported Service Delivery Methods

ICON

DELIVERY METHOD

INSTRUCTOR LED TRAINING (ILT)

ELEARNING (WBL)

Evolved IP Network Solution Network Design Fundamentals

Evolved IP Network Solution Overview
(2 days ILT), LZU 108 9735

Evolved IP Network Solution, Dedicated Mobile
Backhaul: Ethernet Transport Fundamentals
(2 days ILT), LZU 108 9736

Evolved IP Network Solution, Dedicated Mobile
Backhaul: IP/MPLS Transport Fundamentals
(2 days ILT), LZU 108 9737

Evolved IP Network Solution, Dedicated Mobile
Backhaul: Microwave Design in Ethernet L-RAN
(3 days ILT), LZU 108 9738

Microwave Networks Product Training

Microwave Networks product courses are found in
Microwave Networks R14 Training Program

Optical Transport Product Training

Optical Transport (OMS, SPO, MHL) product courses are found in
Optical Transport R14 Training Program

IP Edge Product Training

IP Edge (SE/SSR/SP/NetOp) product courses are found in
IP Edge R14 Training Program

IP Broadband NMS Product Training

IP Broadband NMS (ServiceOn, IP T NMS) product courses are found in
IP Broadband Network Management R14 Training Program

ENIQ product courses are found in
Mobile OSS Training Program
