

# Ericsson Composition Engine (ECE) 17.1

# ECE Operation and Maintenance

ECE has two main deployments:  
Converged Services Studio (CSS) and Unified Service Exposure (USE).

The Participant should be familiar with IP and Linux CLI.  
Knowledge of intelligent networks, SS7 and SIP would  
also be beneficial

**Pre-requisite**

Ericsson Composition Engine (ECE) 17.1 CSS Operation  
& Maintenance  
LZU1082516, ILT, 3 Days

Ericsson Composition Engine (ECE) 17.1 USE  
Operation & Maintenance  
LZU1082517, ILT, 3 Days

Converged Services Studio (CSS) provides a service enablement platform for services based on SS7 and SIP.

Unified Service Exposure (USE) provides a platform for exposing network capabilities using Service Exposure and Advanced Composition

# ECE 17.1 Learning Portfolio Summary

Course Name	Course Identity	Length	Method
Ericsson Composition Engine (ECE) 17.1 CSS Operation & Maintenance	LZU1082516	3 Days	ILT
Ericsson Composition Engine (ECE) 17.1 USE Operation & Maintenance	LZU1082517	3 Days	ILT
